A number of the young folks took in the dance at Duchess last Saturday evening.

Quite a number of people attended the show "Our Relations" in Bassano on Saturday night.

An enjoyable party was held Monday evening at Rockchilla for Roy and Iola Tolley and Dorothy Tolley of MacLeod, who have been visiting their relatives here. Games were played until a late hour when lunch was served.

Mrs. Brown and daughter, Elva, who have been here for the past few weeks, left Tuesday for their home in Stavel.

E.I.D. Annual Picnic at Brooks, Aug. 4th

Arrangements have been completed for the second annual Community Picnic of the Eastern Irrigation District on the grounds at Headquarters Brooks, 4th of August.

The regular programme will start at 1:30 P. M. but visitors from distant points are invited again this year as in 1927 to come early in the day, bring their noon lunches and picnic on the lawn or in the trees adjacent to Headquarters.

The afternoon programme will consist of one or two short addresses by local residents and one major address by Mr. R. B. Eisenhauer, D. S. A., Superintendent of Irrigation for the Saskatchewan Government. Mr. Eisenhauer is an Alberta man, having taught irrigation in the agricultural schools for a number of years and having been Picnic superintendent with the Lethbridge Northern Irrigation District. At one time he was an employee of the Alberta Wheat Pool.

Two bands have been arranged for the afternoon. The High River Rik's Band, one of the best in the Province will play under the leadership of Mr. John Pickersell, its musical director.

Members of the Otter Blue Bonnets Pipe Band of Calgary will be in attendance, giving a programme of pipe music and Scottish dancing.

During the main programme an additional program of sports will be arranged for the children. In the main competitions only children from the district will compete, and only children under fourteen years of age.

Handicaps and cake will be served free of charge at 4:30. Ice cream and soft drinks will be on sale in booths at the grounds. Picnickers are requested to bring their own cups.

The Brooks Board of Trade is arranging a dance in the evening at the Gaiety Theatre.

Local Tennis players report spending a very enjoyable afternoon in Strathmore on Sunday last, when they were the guests of the Strathmore Club at an inter-town tournament.

During the course of the afternoon 15 matches were played between the Westerners taking the honors of the day by winning 11 to 4.

Following the matches a lunch was served to the losers before they departed for Bassano.

Score of the games were as follows:

GEM STAMPEDE AND SPORTS TO BE BIGGEST AND BEST YET

WALTER PEAKE TO MANAGE ANNUAL STAMPEDE
Increases in Amounts Allotted to Winners in Nearly All Events

Gen's Annual Stampede to be held on Wednesday, August 3rd, (next Wednesday) promises to be -- in keeping with the slogan adopted by the Stampede Committee -- "Bigger and Better" than ever. Every possible effort is being made to make this year's show the biggest and best ever put on since the Gem Community Club was first organized over two years ago.

It is to be under the competent management of Walter Peake and some of the toughest, snafest broncs used at the Calgary Stampede will be on hand to make the show a real one.

Gen has always had an exceptionally large number of contestants entered, particularly in the riding and roping events, and this year steps have been taken to provide additional "sauce" in the line of "silly" stunts and "slippery" calves. The Stampede program is being extended to include additional events, and prizes are being increased both in number and amount.

The program of athletic events to proceed the stampede proper, is to start at 10 a.m. sharp, to last through the night for all stampede events and for the baseball game scheduled to follow the Stampede. The Committee requests the good standing citizens of the town to be present to witness the program.

The New Gem Community Club Hall, now being rushed to completion, will be ready for the boxing card in the evening, and for the big Stampede Dance. A special combination orchestra has been engaged to provide the music for this big opening dance.

Someone is going to win the beautiful and valuable horse chest on display at Brown's Old Gem. The chest will be on display at the Stampede grounds on Stampede Day. Get your tickets now! They're on sale in your community.

Children are asked to bring their tricycles for use in the tricycle race.

Large Crowd Expected Here on Saturday

Saturday, next, will be a big day in Bassano, when approximately 1,000 members of the Canadian Pacific Railway staff on this division will hold their annual picnic on the local Sports and Amusement grounds.

The party will arrive in Bassano early in the afternoon from Medicine Hat. A special passenger train will transport them here.

Upon arriving at the local depot, a parade led by a band and an orchestra from the Hat, will be formed. They will march from the station along main street and to the grounds. At the Sports Grounds, an athletic program has been prepared and will get underway upon arrival. Children on employees will enjoy refreshments served to them free of charge. It is understood that baseball and softball games have been arranged between members of the different departments of the company.

In the evening a dance will be held in the cupola of the new Medicine Hat Orchestra supplying the music. Admission tickets to this have been sold, and anyone wishing to attend may do so upon presenting their ticket.

Arrangements are being made to carry passengers to the Bassano Dance site should prove quite an interesting sight for the visitors who wish to make the short trip.

The train will leave Bassano at 9:30 p.m. for Medicine Hat. The local Board of Trade have spent considerable time and effort in completing arrangements for the day, so that the visitors may thoroughly enjoy their afternoon and evening stay here.

Unity Meeting Friday

A Unity meeting will be held in the Rink Building, Bassano, on Friday evening, July 28th, at 8 p.m. Everyone interested in the Unity Movement is requested to attend, especially the ladies of the

E.I.D. NEWS NOTES

It has come to the attention of District officials that a great number of rumors are being circulated respecting said lands, and land settlement, in the Rolling Hills district. Those rumors are advised that absolutely no land has been sold in the Rolling Hills area to date, and it is not anticipated that any sales will be considered at least before October, and probably not before the spring of 1933. Work is progressing on the structure as far as possible but will not be completed for some weeks.

A number of cases of the disease attacking horses in other parts of Western Canada have occurred in the Eastern Irrigation District. The management has obtained from the Federal Veterinary Service numerous pamphlets dealing with the symptoms and treatment of the disease. These are available to anyone interested, on request to the office.

The following notes were received too late for publication in last week's issue of the Recorder.

In order to cope with increased office work, the District is in future to get even to the point of paying accounts only on the 15th and 30th of each month. Statements will be accumulated between these dates and cheques will be issued on such dates only. The co-operation of those rendering accounts to the District is requested.

Some of the holders of annual grazing leases have not completed forms to date and fieldmen have been unable to check them with the surveying office. It is hereby given that all grazing leases for which documents have not been completed have been declared vacant.

The District has been handicapped in the past by lack of a road on the eastern side of Lake Newell. At certain seasons of the year it has been impossible for the employees to get even to the important headwaters at the north and of the lake. It has been obliged to, on one or two occasions, to bring in shipments of sand and gravel, because there was no road to the deposits of such material along the eastern lake shore.

With the development of the Rolling Hills, its difficulties were increased. It was unable to get to the Rolling Hills Headwaters and to the new reservoir site.

To overcome these difficulties it has constructed this year a narrow service road from Brooks directly south to the Rolling Hills area giving entrance to the Bantry Headwaters, the gravel pits, the Rolling Hills Headwaters, and the new Rolling Hills Reservoir. The road has been constructed at very low cost by the District using own equipment. It is only a narrow grade and is not recommended for general use by the public.

ROSEMARY VISITORS MAKE LONG JOURNEY FROM LOUISIANA

Rosemary, July 26th (Special) -- Mr. and Mrs. B. L. Kiper of New Iberia, Louisiana, and Mrs. L. B. Kiper and daughter, Edith Kiper, of Gibert, Louisiana, arrived here Tuesday to visit their relatives. Mrs. B. MacLeod and family. They are accompanied by Miss Made Nation of New Orleans, Louisiana.

The party made the trip in six days. They will remain here about a month or before leaving Alberta, intend visiting Calgary, Edmonton, Banff, Lake Louise and other points of special interest.

This is the first time Rosemary has had the pleasure of visitors from such a southern state, and the many friends our southern friends already made, find them extremely interesting and enjoyable. Everyone wishes them a pleasant stay here, and a safe journey back to their Louisiana home.

Gem Notes

Have a Success
The Sunday School of the new hall turned out to be quite a success. The Keeling Brothers, Bill Hibbs and Stan, James provided the music. Mrs. F. Marquess and Don Thornehill also assisted. The Ladies' Club wishes to thank all the musicians, also Mr. Heyford for providing light. Mr. Stinson for getting the plant, which the Gem School kindly let us make use of for the evening.

Sunday School in Hall
The Sunday School will hold its next meeting at Gem Community Hall, Sunday, July 31st, at 11 a.m. The Program, which is expected to be above 30 bushels per acre, and livestock are in wonderful condition.

Visit at Pollock House
The Program, which is expected to be above 30 bushels per acre, and livestock are in wonderful condition.

Cross Red Deer
Mrs. Ryan and children, accompanied by A. Ryan, made a trip across the Red Deer last Sunday, with provisions for J. Ryan, who is having on his farm there. The hay crop is reported to be good, which is expected to be above 30 bushels per acre, and livestock are in wonderful condition.

Hussar visitor after
Mr. and Mrs. Haves, Mr. Jones and Eugene of Hussar, also Mr. and Mrs. Haves of Conquest, visited at the Hobson home last Sunday. The crops around Hussar are reported to be fairly good.

Visit at Banff
Mr. and Mrs. Harwell and Edna returned Tuesday from a holiday spent at Banff and Calgary.

Picnic on Red Deer
The Royer and Wade families picniced at the Red Deer last Sunday.

Returns from B. C.
John, who worked in Gen last year, returned from B. C. about a week ago. John and Ralph Hobson (Bunny) worked together in B. C. and have returned with a lot of news about their sunny Alberta. -- We haven't seen him for quite a while.

Visits Here
Mrs. Thompson and two children are visiting with Mrs. L. L. Edwards. Mrs. Thompson's sister.

Complete Addition to House
Mrs. Wallace completed the addition and remodeling of her home some time ago. The new hardwood floor and furniture looks swell. A house-warming might be in order.

Quitting Red Deer
A quitting bee was held at the home of Mrs. Archibald on Wednesday last week. Mrs. Archibald is leaving for the new home in the community Club which is to be raffled at the official opening of the new hall. The Ladies reported that the evening was a very successful one.

Visit Vile Home
Mr. and Mrs. J. P. Royer, Mr. Keeling and Mrs. and Samdahl visited at the Vile home Sunday.

Scouts To Camp at Sylvan Lake

Twenty-one members of the local Scout Troop will leave bag and baggage for Camp Woods at Sylvan Lake on Sunday morning, for a ten day camp. The camp will be under the leadership of Ralph Johnson, Assistant Scoutmaster of the Scout Association in Alberta.

Last year the troop camped in the mountains, and reported a very enjoyable time. This year's camp at Camp Woods is the official site for all Scout Camps in Alberta. The trip to the lake will be made across country in Mr. Hutchison's truck. They will leave Bassano at 7 a.m. sharp on Sunday morning. The trip to the lake will be made to accompany the Troop to camp this year as he did last.

Watch next week's issue of the Recorder for a story direct from the camp. Patrol Leader R. Currie informed the Recorder that he would be glad to write an article on the trip. The trip to the lake will be made, which should be of considerable interest to all readers.

The Troop will return from camp on August 10th.

MIND YOUR OWN BUSINESS

MINDING ONE'S own business is generally a very good rule to follow, particularly when applied to private affairs. The Paul Fry's who persist in sticking their noses into other people's business deserve to have the extraneous of their nasal organs turned to a bright red by the well-deserved rebuke of "Mind Your Own Business."

There is however, one field which every thinking person ought to invade and that is public business. The citizen who minds his own business to the exclusion of all public business is a detriment and a handicap to the community in which he lives. He may be successful in his private affairs; he may accumulate wealth and a goodly store of this world's goods and he may be perfectly satisfied with his way of life.

But if every citizen in every community did likewise what would be the result? Would there be churches, schools swimming pools, tennis clubs, curling rinks and the many other facilities of modern life which help to round out our civilization? Were they created, operated or maintained by the man who minded his own business? The question supplies the answer.

It is not only the right, but the duty of every citizen to take part and be interested in public business openly, with courage, and without censure or criticism, and without fear. Fear for business reasons seems to deter many men from open participation in public business especially those of political flavour. And yet the business of politics and government is undoubtedly the most important phase of public business.

It is unfortunately true that many of our most capable men refrain from public business for business reasons. We wish there were less, and more of the others, for the sake not only of themselves but for the good of the community at large, and the Province as a whole.

PEGGING WHEAT

WHEAT PRICES on the Winnipeg market have taken a severe tumble within the last few days. For this there must be a reason. It may or may not lie in the belief that wheat will be plentiful and that the law of supply and demand is merely operating in anticipation. It may be that professional speculators are again at work. It might also be caused by the belief that the Federal Government has been seriously considering pegging wheat at 70 cents.

No matter what the cause may be, it is sufficient, to give the wheat farmer cause for alarm. Had the average farmer in the last nine years in Southern Alberta raised fair crops and sold them at prevailing prices, the chances are that there would not be such a heavy volume of protest. But that has not been his good fortune. At the present moment he is faced with the prospect of selling the first fair crop that has been raised in the last nine years at prices which will not meet the cost of production. For that reason alone, the farmer cannot really be blamed if he protests and wants the pegged price to be that which will show him some profit for his labours and some compensation for the years of adversity he has faced.

It is doubtful however, if the masspropaganda being indulged in will have the desired results. Wholesale protests evidencing organized propaganda is nothing new in Government circles. Such protests are generally filed just as received — en masse. There are reasons, and good reasons why the price should be pegged at 87½ cents. These reasons should be, and we hope they have been, submitted to the proper authorities by responsible bodies through elected representatives who have, or ought to have the ear of the Government.

A COUPLE OF RUMOURS

RUMOUR is a lying jade. It is never safe to repeat a mere rumour. Generally by the process of repeated telling it loses all semblance to the original version, and presently it becomes more atrocious with each repeated telling. No person in his sane senses ought to be guilty of saying "a man told him" and then proceeding with his story. Of course, if our Premier's tendencies to quote what a "man told him" are to be followed then we presume a good precedent has been established.

We wonder however if there is any truth in the rumour going the rounds that certain forces within the Social Credit ranks are very dissatisfied with the calibre of leadership afforded them by the Premier, and are casting about looking for a new leader to lead the party out of its present difficulties. How effective the Party would be without him is hard to guess but certainly it would not be quite the same being minus so many stories of what "a man told him."

We also wonder if there is any truth in the rumour emanating from Edmonton, and reprinted in the last issue of Canadian Business that an immediate election is not so much to be feared as the possibility of the present Government not calling one but deciding by a vote of its supporters to carry on for two or three years more than what has, by precedent been established as the regular term. So far as we are aware the Government was not elected for a term of five years. It may be within the competence of the Legislature to extend its term of office over that of the regular five years, and we would not doubt that there is enough nerve in Government circles to try it. On the other hand we have enough confidence in the Lieutenant Governor to believe that he would exercise the right which is his in such a case, and dismiss the Government.

TIT FOR TAT

EDMONTON City Schools are defying the Aberhart government. The school board is refusing to pay more than half the interest rate on its indebtedness to the government till the government pay in full the interest on government of Alberta bonds held by the school board. At the moment the has threatened to withhold the Edmonton school grant. If Aberhart's interest doctrine is genuine, surely he is wise enough to see that it should work both ways.—Clareholm Local Press.

"O WAD SOME POWER THE GIFTIE GIE US
TO SEE OURSELVES AS ITERS SEE US"—Burns.

From Our Exchange Columns

"A MAN TOLD ME"

ADDRESSING A Social Credit meeting in Blackie recently Premier Aberhart said: "A man told me, that in Edmonton 40 per cent of the people have lost homes because of non-payment of taxes."

Earlier he stated: "A man told me, that in Regina the city collects more money from the rent of confiscated homes than they do from taxes. I don't know how true it is, but a man told me."

We would suggest to Premier Aberhart that before going about the country spreading stories of this kind he would be well advised to investigate the truth of them. In fact it is his duty to investigate.

The people have had sufficient of this "A man told me" government and it is time we were getting something more practical.

A lot of legislation passed is of the "A man told me" type and has cost Alberta plenty to prove that the man was telling fairy tales, as is proven by the decision of courts of Canada and the Empire.—Innisfail Province

MOSQUITO FESTIVAL

MOSQUITOES are holding a real revival this summer, and it may not be surprising to learn that it is the female mosquito that does all the biting. The male merely adventures and explores zooming around looking for new pastures for his girl friend to invade. The girls are really putting their teeth into their work this season. Many an old timer who thought he had become immune thirty or forty years ago, is scratching and exclaiming that a new amazonian race of mosquitoes has risen to take its toll of man. While this current raid on comfort is very unpleasant, it is also reassuring to find that the good red blood of Alberta is still in demand. There may be some who do not approve of us, but at least we stand ace high with the mosquitoes.—Ex.

SELF ESTEEM AND SELF RESPECT

WHEN MR. KING announced he would not permit the Royal Air Force to establish bases and train flyers in Canada he was certain this decision would be popular for he offered to make it an issue in a general election. We are not presumptuous enough to doubt his judgement for he knows his public. His Defence Ministry openly and himself actually take more note of a salient point: that government under the old line parties was not satisfactory or these new organizations would not have been formed. While unprepared attempts to innovate untired theories, advanced by men with insufficient experience in practical government to make their calculations valid is certainly not desirable, it will perhaps be profitable for the more stable old-liners to keep in mind the fact that policies which had great force a century ago may be of little value today.

Misguided as may be many of these new organizations and political theorists, one thing is sure: their very foundation is a direct indication of need which were not being met by the old-line parties. Needs created by the closing of frontiers, the abuses in the capitalist system, and the unfitness of great-grandfathers economic and social pattern to function under a mechanical and scientific advancement far beyond his day.

Each faction, it appears, has much to learn from the other.—Cardston News.

THE ENGLISH LANGUAGE

(From the Baltimore Sun)

Foreigners complain of the difficulty of learning the English language and one must admit there is something to be said for their complaints, though after it has been mastered it is the most expressive language in the world. Here are some reasons for the difficulty experienced by the foreigner in learning the language:

- A flock of ships is called a fleet.
- A fleet of ships is called a flock.
- A flock of girls is called a bevy.
- A bevy of wolves is called a pack.
- A pack of thieves is called a gang.
- A gang of angels is called a host.

Arrowwood

The A.P. Elevator has been opened with Mr. Williams from Lehighridge the new elevator man.

Miss Inga Niseng of Aene has been visiting at the home of Grace Board this last week.

Miss Millicent Taylor of the local telephone staff has left for a month's holiday at the home of her parents in Vancouver.

Mr. Norman Jacques is relieving in the local photo office.

News was received in Arrowwood on Friday last of the death of Mr. Joe. Dunka, Sr., at the home of his son in Yorkton, Sask.

Mr. Dunka had been section foreman at Arrowwood ever since the C.P.R. laid rails through the town. He had many friends here, and was a highly respected citizen, always ready to help for the welfare of the community. The sympathy of the community is extended to the family.

Mr. C. L. Archambault received the news of the death of his cousin, William, of Winnipeg, at the age of 31. He died in the High River hospital. He was a resident of Arrowwood several years ago, and leaves a wife and two small daughters.

Quite a nice shower of rain fell in the Arrowwood district on Monday evening and another one on Tuesday evening. A real heavy downpour, accompanied by lightning and thunder also came Tuesday.

Mr. Russell Culp and family left on Saturday morning for Oregon, where they will visit with Mr. Culp's parents, Mr. and Mrs. J. S. Culp.

Mr. R. Bishop left last week for his holidays. Mr. Earl Larson is relieving in the bank.

All elevators will be in swing this fall. The Federal has been opened and will be run by Mr. Butler.

It is to develop a system of hard surfaced highways in Alberta. It reveals that only by the building of such a system of highways will the lucrative tourist business be brought to the farmer's door.

Full publication of the article has been given in the Voice of Metromod, official organ of the Alberta Motor Association. The A.M.A. has campaigned for some years in the interests of better highways and greater tourist trade.

Publishing of the booklet is another aspect of the drive to open new markets for Alberta farmers. It is believed that the potential market lies to the south where there are millions of tourists ready to buy Alberta and other Canadian farm products on a retail basis, providing that hard surfaced highways are built to accommodate this tourist trade.

"General Spanky" Latest Hal Roach Feature Production

Spanky McFarland, Phillips Holmes, Ralph Morgan Head Topp in Cast in Picturesque Drama of 1:1 War Days.

The thrills and drama of the War between the States in 1860's, with the charm and traditions of the Old South, furnish the interesting background for the Hal Roach feature-length comedy, "General Spanky", which comes to the screen of the Orpheum Theatre on Friday and Saturday of this week, July 29th and 30th.

This original human-interest film play, linked with an absorbing romance and delightful comedy, serves as a most appropriate vehicle to introduce chubby Spanky McFarland as

the newest and most sensational of the juvenile screen stars. It gives full scope to the mischievous antics, hilarious capers and ingenuity of Spanky and his army of kids to round out a full evening of entertainment for grown-ups as well as children.

The picture opens with Spanky as an orphan shining shoes for a livelihood on a Mississippi River boat. He meets Phillips Holmes who befriends him against the villainy of Irving Fichel. The boy and his hero go through many thrilling and amusing experiences.

When the war breaks out, Holmes becomes a captain in the Southern forces and Fichel a Northern captain. Spanky is the "little general" with Carl Switzer the second general in the kid's army. Their activities send the audience into rales of laughter, especially with their novel fortification and secret cave and when Carl sings "Just before the Battle, Mother." They protect, Rossin Lawrence, develop her romance with Holmes, and bring about the downfall of Fichel through friendship with the Southern General, Ralph Morgan.

Unusually funny comedy relief is furnished by Billy Thomas, a clever four-year-old colored boy who portrays a tiny slave who attaches himself to Spanky. Louise Beavers is next as a happy-go-lucky colored mammy, and Willie "Sleepy" Earl provides a number of laughs.

Producer Hal Roach in presenting for the first time under his personal guidance, members of his famous "Our Gang" in a full length feature, has given them one of the most important casts ever assembled at his studio.

The elaborate production has been realistically staged. Aside from the scenic beauty of the Old South, the atmosphere was maintained with the melodious voices of a group of thirty negro spiritual singers. Fred Newmeyer and Gordon Douglas directed.

GEN. BALL TORSERS LONE OUT TO BASSANO

Gem, July 28th.—The baseball game between Bassano and Gem was a "washout." At least we in Gem are wishing we could wash it out.

The first half of the game, on Gem's part, was a veritable "Comedy of Errors" and it looked at the end of the third inning, with the score 4-0 for Bassano, as if Gem wouldn't be getting at all. But in the fourth inning Pollock scored for Gem and from then on the game was pretty even. First Marquardt scored again for Gem in the sixth, and the final score was 5-3. Marquardt having scored for Bassano in the fourth. There was nothing wrong with the pitching of either George of Marquardt, and if they had had the kind of support, from both the team and the fans, that a pitcher has a right to expect, there would have been a different story to tell.

Improvement Ass'n.
Formed at Hussar

— 50 Members in Organization

Hussar, July 26th (Special) — A new organization was formed in Hussar on Friday evening, with 50 members on the charter list — The Hussar Agricultural Improvement Association. The President is L. P. Schooling, vice-president, G. B. Clark, secretary, Earl Johnson and the board of directors consists of L. L. Woodford, T. C. Mullen of Mapleton, and T. H. Rogers of Chancellors. The board is empowered to appoint more members as needed. D. D. Sewall was chairman of the meeting, and assisted in forming this association. It was moved that Chas. Miller and E. J. Bell act with the President and Secretary in drafting a resolution asking that the wheat price be set at a minimum of 87 1/2 cents per bushel. This resolution was sent to Mr. W. D. Ester, Minister of Trade and Commerce at Ottawa.

Athletes Enter Calgary Sports

Several local athletes will journey to Calgary on Saturday, August 30th, to compete in the Scottish Games and Sports to be held in Mewata Stadium on that date. Among those to attend from this district will be Ronnie MacLean, Robert Bacon and Goldie Smith of Bassano and Miss P. Gillings of Rosemary. Billy Cole of Carletonville, who spent last week training with the local boys, will also attend.

The merits of Bacon and MacLean in running and jumping are well known in Bassano and district. Smith is also capable of giving any contestant in the pole vaulting competition a run for his money. It is understood that there are several other entrants from the Bow Valley Inter-scholastic Track and Field Meet Association. The best of luck is heartily extended to all entrants from this district. A report on their success will be published in next week's issue.

Weddings

LAW — ROBERGE

A quiet wedding of considerable local interest to Bassano and district, took place in Calgary last Saturday evening, July 28th, when Irene Edna, second daughter of Mr. and Mrs. J. Roberge of the Mapleton District, became the bride of Mr. Raymond James Law, son of Mr. and Mrs. P. Law of Chancellors. The ceremony was performed in St. Philipe Rectory, Calgary, by the Rev. Father Bourque at 8:30 p.m. They were attended by Mr. J. Roberge, father of the bride, and Mrs. Law, mother of the groom. The happy couple will make their future home in the Chancellors District.

IN LOVING MEMORY

In loving memory of Rose J. Armstrong, who passed away July 28th, 1937.

"We are sad within our memories,
Lonely are our hearts today.
For the one we loved so dearly
Has been forever called away.
We think of her in silence;
No eye may see us weep;
But many silent tears are shed,
While others are asleep."

Ever remembered by
Clarence T. Armstrong,
and family.
